BREAK HOUSING

Neely Hall and University Hall residents are eligible to stay during break provided they have signed up. Please talk to the staff in your Area Office for more information.

RESIDENCE HALLS WILL OPEN AT 9 A.M. on SATURDAY, JAN. 13, 2018

Many students will be returning home during the holiday season. Thefts and burglaries tend to increase this time of year. Please remember to take home all items you will need during break. **Students not staying in break housing will not be permitted back into the buildings during winter break.**

Take your valuable possessions home with you. If you cannot pack your valuable items, make sure to have a list of your possessions and all relevant information (make, model, color, serial number, etc.) Housing and the Department of Public Safety have partnered to create a [web-based form](#) to utilize when recording this pertinent information.

Lastly, in order to maintain the security of your remaining possessions, make sure all doors and windows are locked prior to leaving campus. This includes the connecting door between the resident's room and his or her restroom.

Have a safe and happy winter break!

START SEEING PINK

Start Seeing Pink 2017 Breast Cancer campaign was held at SIU, and DPS became a

part of the fundraising drive during the month of October. DPS collections centered around a pink ceramic piggy bank using the slogan “Feed the Pink Princess Pig” Our participation included two donation suppers at the department, a lunch at John A Logan College, and a cookie drive. Telecommunicators were also able to proudly wear the Start Seeing Pink 2017 shirts

on designated days throughout the month of October in exchange for a daily donation to the scholarship fund. The DPS fundraising initiative continued outside the Department with a partnership with SIU’s Workforce Education and Development (WED) department and a travelling “Pink Princess Pig.” A special thanks to Dr. Deb Barnett, Rosalba Correa, and Telecommunicator BethAnn Roberts-Jacquot, who were extremely generous with their time and effort. Thanks to all those involved. A total of approximately \$500 was raised towards this cause!

The Breast Cancer Scholarship campaign at SIU, which continues throughout the entire year, was developed to benefit students affected by cancer by offering scholarships to aid in their educational pursuits. To offer suggestions or donate to the cause, contact:

T/C Roberts-Jacquot at bethannr@dps.siu.edu or (618) 453-3771.

Did you know in the event of a fire, you may have just 2 minutes to escape? With cooler temperatures, people are spending more time indoors, increasing the potential for a fire. To help protect yourself and your family, follow the tips below to ensure that you are taking all safety precautions against fire hazards:
