SIU Safe Walk

The Department of Public Safety has developed a mobile app to assist students, faculty and staff with the opportunity to walk to various locations on campus with an escort. The new SIU Safe Walk app is available free through your app store. When a walk is requested, a confirmation email will be sent from the DPS dispatcher on duty. Saluki Patrol officers will meet the person requesting the walk at the designated start location and time.

Can You Tell Which One Of These Bicycles Is A Bait Bike?

In an effort to stop bicycle theft from occurring on the SIU campus, the Department of Public Safety has started the Bait Bike program. Officers will be monitoring "bait bikes" located around campus. These bikes are connected to the department via technology that will be monitored at all times. Those caught taking a bicycle that does not belong to them may face criminal prosecution and be held accountable under the student conduct code.

Follow these tips to avoid becoming a victim:

- ◆ [Register your bike](#)
- ◆ Get a lock (or two)
- ◆ Use a U or D-type bike lock
- ◆ Do not use cable locks
- ◆ Lock your bike to bike rack

POLICIES

SIU POLICE AUTHORITY

The SIU Department of Public Safety is comprised of 40 sworn officers, 6 telecommunicators, 4 full-time parking agents, and administrative staff. SIU police officers obtain their authority from the U.S. Constitution, the Illinois Constitution, and Illinois statutes. All police officers are conservators of the peace and have all powers possessed by police in cities and counties. All officers are sworn through the State of Illinois Law Enforcement Training and Standards Board, giving them power to enforce state statutes, university rules and regulations, and city or county ordinances, including making arrests. SIU police officers may exercise this authority within counties wherein the university or any of its branches or properties are located.

Campus Safety Tips

- ◆ Lock your doors!
- ◆ Do not leave valuables unattended!
- ◆ Do not allow strangers into the residence halls.
- ◆ Be aware of e-mail scams and solicitations.
- ◆ Report lost/stolen keys immediately.
- ◆ Use the "buddy system" when going out.

Reminder– SIU is a smoke-free campus!

No More Parking Warnings

Starting this month, parking violators will begin to see tickets on their windshields instead of warnings. To avoid this, visit parking.siu.edu to obtain your up-to-date parking decal and the rules and regulations for parking on campus! If you ever have questions about where to park, refer to the sign at the entrance of the parking lot.

Situational Awareness

Situational awareness means being aware of what is going on around you. A little effort to increase your awareness in everyday activities can go a long way towards keeping you safe.

Rule 1– Before you look down, look up. Who is around you? Does anything seem unsafe?

Rule 2– Watch your back. Give yourself the opportunity to see who and what are behind you!

SOUTHERN ILLINOIS PLANE PULL

Special Olympics Illinois and the Law Enforcement Torch Run have partnered with the Southern Illinois University School of Aviation and the Department of Public Safety to host the inaugural Southern Illinois Plane Pull on September 24, 2016 at the Southern Illinois Airport in Murphysboro, IL. The Plane Pull features the ultimate man versus machine battle as teams of up to 8 play tug-of-war with SIU Aviation's 737, weighing nearly 60,000 lbs. That's right, the plane weighs nearly 30 tons!

Each participant must raise a minimum of \$50 and teams can have up to 8 members (\$400 for a team of 8). Teams will compete by pulling the aircraft 12 feet as quickly as possible. Awards are given to the fastest pull in each division, fastest pull overall, top individual fundraiser and top fundraising team.

All proceeds collected through the Plane Pull benefit more than 22,000 traditional athletes and more than 20,000 Young Athletes (ages 2-7) currently participating with Special Olympics Illinois.
