SIU POLICE AUTHORITY

The SIU Department of Public Safety is comprised of 40 sworn officers, 6 telecommunications, 2 full-time parking agents, and administrative staff. SIU police officers obtain their authority from the U.S. Constitution, the Illinois Constitution, and Illinois statutes. All police officers are conservators of the peace and have all powers possessed by police in cities and counties. All officers are sworn through the State of Illinois Law Enforcement Training and Standards Board giving them power to enforce state statutes, university rules and regulations, and city or county ordinances, including making arrests. SIU police officers may exercise this authority within counties wherein the university or any of its branches or properties are located.

Campus Safety Tips

♦ Lock your doors
♦ Use the Brightway Path
♦ Do not leave valuables unattended!
♦ Record information of valuable items here
♦ Do not allow strangers into the residence halls
♦ Be aware of e-mail scams and solicitations
♦ Report lost/stolen keys immediately
♦ Use the “buddy system” when going out.

The Rave Mobile Alert System

RAVE is used to send emergency text messages to cellphones and to campus email addresses of students, faculty and staff. The message may alert you to an emergency situation, including university closures and safety alerts. The system provides weather warnings, including severe thunderstorm, tornado, flash flood, and winter storm.

To receive emergency text messages, students must have current contact information in SalukiNet.
PARKING ONLINE

SIU Parking Decals are now available for purchase online. Please visit parking.siu.edu for more information.

To buy a decal, you will need to know your vehicle information, including make, model, color, and VIN number. Once a payment is made, a temporary decal will be available to print and your annual decal will be mailed directly.

Parking decals will still be available for purchase in the Parking Division office. The Parking Division strongly encourages everyone to utilize the online system.

WHERE SHOULD I PARK?

With the addition of Lot 11 over the summer, the Parking Division has added 155 new parking spots. Lot 11 is located across from the Student Services Building and is accessed through Lot 13B. The addition of Lot 11 has brought changes regarding who can park in certain parking lots in the area. Lots 13A, 10A, and 10B will be blue decal only lots. Lots 13B and 11 will be red decal lots. Blue decal holders may park in red decal parking lots, but red decal holders can only park in red decal lots. Parking lot signs are in the process of being created and installed.
