# Annual Security & Fire Safety Report

The 2023 Annual Security and Fire

Safety Report (ASR) has been published. Southern Illinois University Carbonale (SIU) prepares the ASR in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and the State of Illinois Campus Security Enhancement Act (Clery Act). The Clery Act requires colleges and universities that receive federal financial assistance to:

1. Publish an annual security and fire safety report;
2. Disclose crime statistics for the previous 3 years;
3. Provide timely warning and emergency notifications upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus;
4. Disclose missing student notification procedures for residents living on campus;
5. Provide a 60 day crime and fire log; and
6. Submit collected crime and fire statistics to the U.S. Department of Education.

The full text of the ASR is available online at the Safety and Awareness Facts and Education (SAFE) website. For the full report, click [here](#).

## WHAT IS THE CLERY ACT?

## Help Prevent Traffic Crashes

The Southern Illinois University Department of Public Safety employees have responded to multiple traffic crashes on campus this year. Those involved in the traffic crashes have consisted of vehicles, pedestrians, and bicyclists. In an effort to prevent further traffic crashes, DPS has positioned a message trailer on campus, alerting drivers to drive safely. In addition, there are multiple cameras covering crosswalk locations and intersections. While there are a number of crosswalk signs marked on campus, there are other prevention tips for drivers, pedestrians, and bicyclists to utilize to help prevent these traffic crashes from occurring.

- ⇒ Drive the posted speed limit
- ⇒ Avoid the use of a cell phone, whether driving or walking
- ⇒ While pedestrians have the right-of-way, bicycles and pedestrians have the responsibility to ensure that it is safe to cross the street prior to entering the crosswalk
- ⇒ Do not ride a bicycle or scooter through a crosswalk. Walk them across.
